*All cattle to be sold over the scales are to be yarded by 8.00pm on the night before the sale at the Saleyards.*

### Attention Producers

Please ensure the ALL your sheep and cattle have an NLIS tag when leaving your property. It is against the law to move stock without a tag and accompanying NVD.

**Each animal's tag is checked on arrival at the saleyards and the number of untagged cattle keeps increasing.**

Just notify Jamie, Angus or Lachlan if you are unable to tag your animal before it leaves your property and they can assist you.

**Sheep Producers, please ensure your sheep are given a proper curfew.**

Truck drivers are left with dirty trucks and it's not fair on the next producer, who has done the right thing and given their sheep a proper curfew, to subsequently have their sheep soiled. Time does not allow for truck drivers to wash out between loads, so **please ensure that your sheep are given a proper curfew.**

### EMERGENCY NVD/WAYBILLS

Emergency LPA NVD/Waybills can be used in circumstances where an LPA NVD/Waybill is not available to the vendor and when an order for a NVD book has been placed (ie: current book has been lost or is full & you are waiting on new book). Emergency NVDs can be obtained via the LPA hotline on 1800 683 111.

## JOKE OF THE WEEK

A blonde woman is driving down the road. She notices that she is low on petrol, so she stops at a petrol station. While she is pumping her petrol, she notices that she locked the keys in the car.

So, when she goes inside to pay, she asks the attendant for a hanger so that she can attempt to open the door herself. She returns outside and begins to jimmy the lock. Ten minutes later, the attendant comes out to see how the blonde faring. Outside the car, the blond is moving the hanger around and around while another blonde inside the car is saying, "A little more to the left... a little more to the right..."
