### YARDED

A yarding of 3,750 sheep and lambs, with 3,275 lambs and the balance sheep.

### MARKET

With the quantity and quality of older lambs starting to drop, there were extra new season lambs available and the market lifted considerably. Heavy older lambs were \$15-\$20 dearer while the trade older lambs were \$8-\$12 dearer. New season lambs also kicked \$12-\$15 with the heavy weights \$15-\$18 dearer. Grown sheep sold well to be \$6-\$8 dearer on a smaller yarding.

 G & D Kiem; cows, 288 c/kg (813 kg) rel \$2340.00

## YARDED

There were 522 cattle yarded on Wednesday, 23rd September 2020.

## MARKET

A very good yarding of cattle this week that saw solid competition across the board. Yearling cattle to the trade saw strong competition to be 5-10c/kg dearer while cattle to suit the feeders showed similar trends. The only exception was the heavier heifers that were 5-8 c/kg cheaper. Export cattle were firm and the cows were 8-10 c/kg dearer. The best bull made 307.2c/kg

### Attention Producers

Please ensure the ALL your sheep and cattle have an NDIS tag when leaving your property. It is against the law to move stock without a tag and accompanying NMD.

Each animal's tag is checked on arrival at the saleyards and the number of untagged cattle keeps increasing.

Just notify Jamie, Angus or Lochlan if you are unable to tag your animal before it leaves your property and they can assist you.

Sheep Producers, please ensure your sheep are given a proper curfew.

Truck drivers are left with dirty trucks and it's not fair on the next producer, who has done the right thing and given their sheep a proper curfew, to subsequently have their sheep soiled. Time does not allow for truck drivers to wash out between loads, so please ensure that your sheep are given a proper curfew.

### EMERGENCY NMD/WAYBILLS

Emergency IIPA NMD/Waybills can be used in circumstances where an IIPA NMD/Waybill is not available to the vendor and when an order for a NMD book has been placed (ie. current book has been lost or is full & you are waiting on new book). Emergency NMDs can be obtained via the IIPA hotline on 1800 683 111.

## JOKE OF THE WEEK

A man and his wife were awakened at 3:00 am by a loud pounding on the door. The man gets up and goes to the door where a drunken stranger, standing in the pouring rain, is asking for a push.

"Not a chance," says the husband, "it is 3:00 in the morning!"

He slams the door and returns to bed.

"Who was that?" asked his wife.

"Just some drunk guy asking for a push," he answers.

"Did you help him?" she asks.

"No, I did not, it's 3 in the morning and it's pouring with rain out there!"

"Well, you have a short memory," says his wife. "Can't you remember about three months ago when we broke down, and those two guys helped us? I think you should help him, and you should be ashamed of yourself! God loves drunk people too you know."

The man does as he is told, gets dressed, and goes out into the pounding rain.

He calls out into the dark, "Hello, are you still there?"

"Yes," comes back the answer.

"Do you still need a push?" calls out the husband.

"Yes, please!" comes the reply from the dark.

"Where are you?" asks the husband.

"Over here on the swing," replied the drunk.
