Sheep Market Report

16TH SEPTEMBER 2026 - A YARDING 2,510 OF SHEEP & LAMBS, WITH 1,758 LAMBS AND THE BALANCE SHEEP.

A yarding of 2,510 sheep and lambs was offered, including 1,758 lambs, with the balance made up of sheep.

Numbers eased this fortnight with the absence of one major processor due to a scheduled maintenance shutdown. Extra-heavy crossbred lambs were limited and sold firm to slightly easier, while heavy crossbred lambs followed suit, with most pens of lambs 24kg and above selling \$5-\$10 cheaper than the previous sale.

Medium and light lambs to processors met solid demand, selling firm to \$5 cheaper, with stronger competition in places. Merino lamb numbers were back, with weight and quality influencing the market. Heavy lambs sold firm, while lighter Merino lambs were cheaper.

Heavy mutton eased by \$20-\$35/head on the previous sale, while light mutton held firm, with the best of the ewes selling to \$324/head.
