Joke of the week

Why Did I Get Divorced?

Last week was my birthday.

My wife didn't wish me a happy birthday.

My parents forgot.

Even my kids didn't say a word.

I went to work feeling pretty miserable. To top it off, none of my colleagues remembered either.

Then, as I walked into my office, my secretary smiled and said,

"Happy Birthday, Boss!"

Finally, someone remembered!

At lunchtime she asked if I'd like to have lunch with her.

We had a lovely meal, and afterwards she said,

"Why don't we go back to my apartment?"

I thought, *Well... this birthday is turning around.*

Once we got there, she said,

"Make yourself comfortable. I'll just pop into the bedroom for a minute."

"Sure," I replied.

About five minutes later she came back out...with a birthday cake.

Behind her were my wife, my parents, my kids, my friends, and all my work colleagues shouting,

"SURPRISE! HAPPY BIRTHDAY!"

And there I was...sitting on the lounge...completely naked.
